

450SSRC

High-Rise Power Packer

The 450SSRC High-Rise Power Packer is the Ideal Solution For:

- Office Developments
- Hotels/Motels
- Hospitals/Nursing Homes
- Restaurants
- Specialty Manufacturing
- High-Rise Chute Rooms
- High-Rise Apartment Complexes

Solid waste in your building has been brought down to street level with a dedicated waste chute and the 450SSRC High-Rise Power Packer.

Compare these features of the 450SSRC with the competition:

- 25:1 compaction ratio dramatically saving 40-70% on waste hauling bills
- Air Sanitizer cuts down on odor
- Pickup area will be much neater and cleaner
- Very little dedicated space is required in your building
- Higher level of security for your people and tenants
- Cuts down on fire hazards

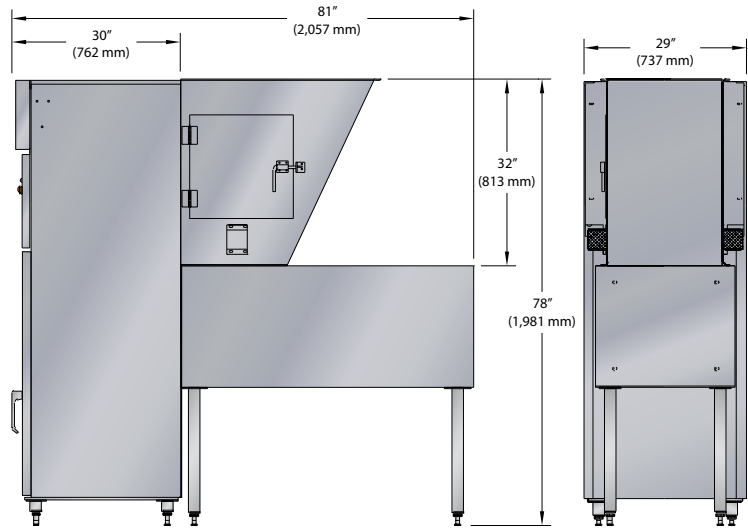

- Solid waste is collected at the bottom of the chute
- Waste is automatically compacted into an easily removable cube
- Optional 3 phase power available
- Custom applications available, contact for more information

The 450SSRC High-Rise Power Packer, another great idea from Harmony Enterprises...
The Undisputed Leader in Quality Manufacturing.

450SSRC High-Rise Power Packer
