Sustainability Solutions for Waste & Recycling
Harmony™ ENTERPRISES, INC.

# 300SS Indoor Stainless Steel Compactor

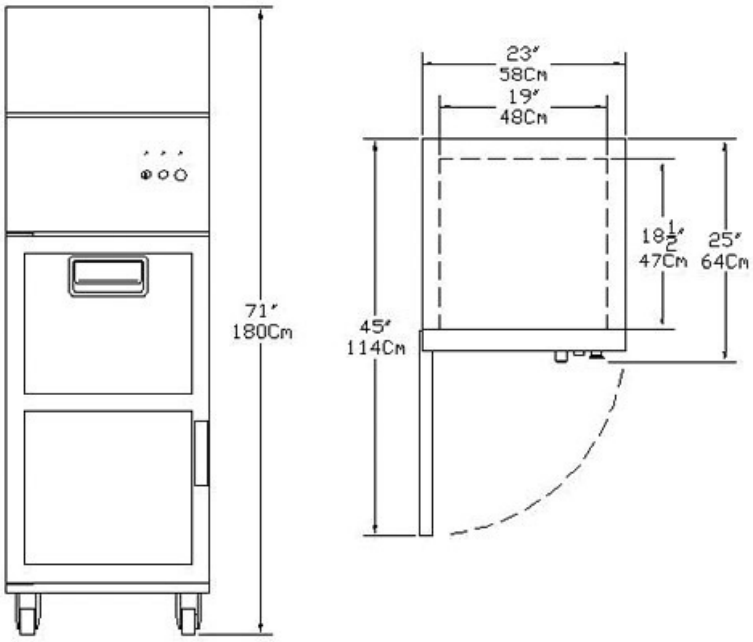
**Harmony's 300SS Is Ideal For Use In:**

- Hospitals, clinics & medical facilities
- Schools, colleges & universities
- School & university cafeterias
- Quick serve & casual dining restaurants
- Hotels, motels & hospitality facilities
- Commercial kitchens & food service operations
- Housekeeping & facility maintenance areas
- Apartments, housing complexes & multi-tenant facilities
- Theme parks & entertainment venues
- Military bases & government facilities

**The smallest of Harmony's Indoor Stainless Steel Compactors, the 300SS provides powerful waste reduction in a compact footprint while delivering the same proven waste-control benefits as Harmony's larger stainless steel models:**

• Save 40%–70% on waste handling costs
• No need for a special dumpster
• Improve security for your business & employees
• Make fewer trips to your outside dumpster
• Compact waste to as little as 1/25 of its original volume
• Keep waste handling areas cleaner & neater
• Eliminate problems associated with uncovered waste
• Improve property appearance by eliminating unsightly piles of waste
• Help lessen fire hazards & support health standards
• Consolidate up to 25 bags or piles of waste into one neatly wrapped cube

## 300SS Stainless Steel Indoor Compactor



### 300SS FEATURES

- Quality stainless steel construction
- Space-saving vertical design
- Fast 16-second cycle time
- Up to 25:1 compaction ratio
- 3.3 cu. ft. waste cube capacity
- 19" W × 16" H loading door
- Efficient 3/4 HP motor
- Durable 2.5" hydraulic cylinder
- 9,818 lbs. ram force
- Control panel is UL® listed
- Locking key switch
- Cube-full indicator light & buzzer
- Air sanitizer
- Hydraulic ejector
- Safety door locks
- Swivel locking front casters
- Optional drip pan available
- Meets or exceeds applicable OSHA & ANSI Z245.5 safety standards
- Optional Insite™ monitoring available
- Optional marine package available
- Made in the U.S.A.
