

Harmony Enterprises, an Equal Opportunity (EEO/AA) Employer, is hiring for the position of Machinist.

Machinist Job Description

Harmony Enterprises is hiring for the position of Machinist in its production process. This person is responsible for manipulating structural metal products used in the manufacturing of our quality balers, compactors, and accessories.

Harmony Machinists need to be able to set up and safely operate machinery such as lathes, mills, and RAD drills, and have a good understanding of decimal equivalencies.

Requirements

- Machinist experience preferred.
- Ability to work efficiently and safely in a fluid work environment.
- Ability to read and interpret mechanical documents and drawings.
- Mechanical aptitude and good math skills.
- A keen eye for detail and results-driven approach.
- Good communication abilities.
- High school diploma or equivalent.

Applicants should have and desire qualities that align with our company's Core Values:

- Commitment
- Passion
- Innovation
- The Courage To Make A Difference
- Enhancing Our Shared Experience

Pay will be based on experience.

Interested candidates, please submit resume and job application online at <https://harmony1.com/about-us/employment-opportunities/> or mail to Ramon Hernandez, Harmony Enterprises, Inc., 704 Main Ave N, Harmony, MN 55939.
