

Harmony Enterprises, an Equal Opportunity (EEO/AA) Employer, is hiring for the position of Fabricator.

Fabricator Job Description

Harmony Enterprises is hiring for the position of Fabricator in its production process. This person is responsible for fabricating and/or assembling structural metal products used in the manufacturing of our quality balers, compactors, and accessories.

Harmony Fabricators need to be able to set up and safely operate fabricating machinery such as brakes, rolls, shears, saws, flame cutters, and drill presses.

Requirements

- Fabrication experience preferred.
- Ability to safely operate a forklift in a fluid work environment.
- Ability to read and interpret mechanical documents and drawings.
- Mechanical aptitude and good math skills.
- A keen eye for detail and results-driven approach.
- Good communication abilities.
- High school diploma or equivalent.

Applicants should have and desire qualities that align with our company's Core Values:

- Commitment
- Passion
- Innovation
- The Courage To Make A Difference
- Enhancing Our Shared Experience

Pay will be based on experience.
