

Harmony Enterprises, an Equal Opportunity (EEO/AA) Employer, is hiring for the position of Third-Party Equipment Hauler/Installer.

Job description for Hauler/Installer:

- Load, transport, unload and install Harmony balers and compactors throughout the United States.
- Complete special pickups and deliveries for production needs.

Required Skills/Experience:

- Excellent communication skills.
- Completion of Harmony's hauler and installer training program.
- Ability to manage delivery and installation schedules.
- Ability to provide professional customer service.
- Must own and provide insurance for truck and 5th wheel or flatbed trailer and liability.
- Must provide proof of personal general liability insurance.
- Experience with welding and electrical work.

Pay will be based on experience.
