

Job Description for Production Painter

Harmony Enterprises, Inc., an Equal Opportunity (EEO/AA) Employer, is hiring for the position of Production Painter. The person in this position is responsible for the daily activities in Harmony's paint booth area.

Responsibilities:

- Preparing product for initial and final coats of paint while ensuring that finish paint coverage meets Harmony paint and surface standards. The employee must demonstrate knowledge of the spray equipment including fluid and air settings, positioning, techniques, and procedures in all coating positions, and the ability to perform rework as necessary.
- Will thoroughly clean all painting equipment and assigned areas, as required to maintain proper working order and clean working environment.
- Will perform ongoing minor troubleshooting and maintenance of spray equipment, guns, air supply and other equipment necessary to perform job duties.
- Responsible for loading the product and material handling.
- Employees are responsible for quality inspection of the product.
- Employees will assist in other areas of production as needed.

Qualifications:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. As a member of our team, this person should possess solid interpersonal skills, flexibility, organizational skills, be able to operate a forklift (will train) and the desire to succeed.

Requirements:

- Candidate Must Align with Harmony's Core Values
- Painting Experience Preferred

Pay will be based on experience.
